## DIRECTIONS BY CAR FROM THE M3

Take the M3 then the M27 west. Exit at Junction 1, follow signs to Lyndhurst. Turn left at the first traffic lights into the High Street then turn right onto the A337 signed to Brockenhurst .

During busy weekends Lyndhurst's heavy traffic queues can be avoided by coming off the M27 at junction 3 onto the M271 (Southampton direction) to the end where you turn right at the roundabout onto the A35 to Lyndhurst through Ashurst. Come into Lyndhurst turning left onto the one way system then take the A337 signed to Brockenhurst.

After 4 miles pass the Balmer Lawn hotel on your left. Turn 2nd right after hotel into Grigg Lane. 200yards down take the second right (close to first turning) that has a signpost marked FORD. Drive down this road about 200 yards till you come to a water splash. The House on The Ford (painted grey-green) is on the right just before the ford on the corner of Park Close. If room, park in the car port.

## DIRECTIONS FROM BROCKENHURST STATION:

Turn right outside of the Station walking down to the level crossing.

Turn left along the main Lyndhurst Road keeping the bike hire shop to your left and passing a parade of shops including a Londis Newsagents. Take the second left opposite Brockenhurst College into Waters Green passing over a cattle grid. At the cross roads go straight across into the road with a signpost marked Ford.

The House on the Ford, painted grey green, is about 300 yards along on your right on the corner of Park Close overlooking the watersplash.
